

Bulletin nr1. Moto

Each vehicle must permanently have 12V power supply for the GPS control-safety system. GPS controller warns the rider of the disconnection of GPS from the power supply. Second warning is penalised with an extra 30 mins, third warning is penalised with **exclusion**.

The road equals to the given GPS points. The riders get penalties of **2 mins by occasions** after every abandonment of the road if the rider does not go back to the deviation place (GPS point) or, get penalty in proportion of the time of the missed sections. The Road Book must be followed during the whole route.

They are several speed limits on the road every case they are signed in the Road Book. Overspeeding eventuates time-penalty.

Refuelling is allowed on the signed points, which marked in the Road Book, on the liaison of the track..

The result of the Prologue on 26. August 2011 is not counted in the final result of the race, it only determines the starting order for Saturday. Nevertheless the timing in the time card must be kept because the penalties will be counted into the result of Saturday.

Data differnt from the original Supplementary Regulations listed below:
