INTRODUCTION

GARZONE Racing Organization Promotion Ltd. will organise a Cross-Country Rallye Challenge named "**HunGarian Baja 2011**" from 25th August to 28th August 2011.

The event will take place in accordance with the following regulations, to which all drivers and competitors signing the entry form will be bound:

- The FIA International Sporting Code (and its appendices)
- The 2011 FIA General Prescriptions applicable to the events counting towards the all FIA Cross-Country Rallies and the FIA Cross-Country Wold Cup. (General Prescriptions)
- Present Supplementary Regulations and its appendices
- Official bulletins
- The traffic regulations of Hungary

HunGarian Baja is the 5th Round of the FIA Cross-Country Rallye World Cup 2011.

Modifications, amendments and/or changes to these Supplementary Regulations will be announced only by numbered and dated bulletins (issued by the Organiser and approved by the FIA and National Automobilsport Federation of Hungary (MNASZ) up to the time of the first stewards meeting and thereafter by the stewards).

The World Cup is run in parallel with the event of the National Championships and with the event of the Open International Cup (T1, T2, T3, T4, TH, Open)

The event is the sixth event of the UNIQA National Cross-Country Championship of Hungary with coefficient two.

There will also be:

1. a National and Open International Event with separate regulations and starting after all FIA competitors; and
2. a Motorcycle/Quad European- and National Championship event with separate regulations and used same special stages but different time.

3.6 REFUNDS:

The entry fee will be refunded in full:

- to candidates whose entry has not been accepted (they will have registration fee reimbursed net of all relevant bank charges);
- in case of the Rally will not take place.

The organisers may refund 50% of the entry fee to those competitors who, for reasons of "force majeure" duly certified by their ASN and communicated to the Rally Office (Art. 2.2) with recorded-delivery letter, were unable to start the Rally.

4. INSURANCE

4.1 TRAFFIC INSURANCE:

Third party risk insurance (Traffic insurance) is compulsory for all crews taking part in the rally. All competitors must have a traffic insurance policy and present it at the administration checking. This insurance is valid both on road sections and special stages. Description of the organizer's insurance will be published before the administrative checking.

4.2 INSURANCE AMOUNTS:

The crew will get the supplement of the insurance on the Administrative Check.

The entry fees include the insurance premium, which guarantees the competitor full cover for civil liability towards third parties, medical costs and his repatriation on medical grounds to hospital.

- Compulsory to third parties liability under current Hungarian regulations .
- The payment of those sums for which participants may become civilly liable as a result of accidents or fires caused by vehicles taking part in the event, up to a maximum of 270.000.000 HUF per accident or 270.000.000 HUF total amount.

4.3. OTHER PRESCRIPTIONS

In the event of an accident, the entrant, or its representative, must give written notification to the Clerk of the Course or the Secretary as soon as possible and within a maximum of 24 hours. This statement should set out the circumstances of the accident, damages, eventually blessed, as well as the names and addresses of witnesses. Competitors are reminded that only damage caused by the organizers and named drivers are covered by the Organization's insurance policy. Loss or injury that may be suffered by the drivers themselves or participating vehicles is EXCLUDED. Irrespective of this Third Parties insurance, entrants and drivers are free to take out the policies they deem fit on their own account and at their own discretion. Service vehicles, including those displaying the plates supplied by the Organization, shall under no circumstances be deemed participating vehicles. They are therefore not covered by the Organization's insurance policy and responsibility for them lies solely with their owners. In case of accident, competitors and drivers exempt the event organizers from any liability and waive any right to bring claims against them.

The insurance cover will come into effect from the administrative checking and scrutineering for the Event and end upon the expiry of one of the following time limits, whichever is the later:

All the crews entered must present themselves with their vehicle according to the established timetable, and with the security and navigation equipments dully installed (according with the information in the official Web).

8.3 NECESSARY CONDITIONS

Vehicles must comply with the following when arriving for scrutineering

- All rallye plates, competition numbers and advertising plates must be fitted according to the supplementary regulations.
- Sealing holes must have been drilled (according to Appendix 2 General Prescriptions 2011).
- Delivery of the Safety Form with the FIA homologation for helmet, overalls, gloves, balaclava, socks, long underwear and shoes. FHR (head restraint) is recommended. (according Art. 12.5 General Prescriptions 2011 and Appendix L, Chapter 3).

8.3.1 In the event of absence of a windscreen at the start of a leg, the wearing of a full face helmet with a visor or of motocross type goggles, or of an open face helmet with motocross type goggles shall be compulsory for all members of the crew, otherwise the vehicle shall not be admitted to the start of the leg. During legs, crews must always have motocross type goggles in the cockpit, to be used in case of windscreen breakage.

8.4. Parc Fermé after Scrutineering

After the technical scrutineering, the crews should place the car immediately on the Parc Fermé, located in the HQ! In the case of a vehicle not complying with the technical and/or safety regulations, a period of time may be granted by the Panel of Stewards to enable the vehicle to comply.

8.5. Additional checking of the crew members as well as the vehicles may be carried out at any time during the event. These checks must be organised in such a way that they do not penalise the competitors (article 42.5 CC General prescriptions 2011).

9. SUPER SPECIAL STAGE

9.1 Super Special Stage description

On Friday 26 August will be a Super Special Stage inserted in the contest of a Super Special Stage Leg and located in Győr zone, with a length of 7,00 km. This Super Special Stage will be run in the form of a Selective Section and will determine the Starting Order of the Leg 1, and the competitors must take part in it.

9.2 The finish time

Only for the Super Special Stage the finish times will be taken to 1/10th of a second to decide dead heats. Once the classification has been established and the starting positions for the Leg 1 have been determined, the 10ths of a second will be deleted and the times thus rounded down to the second immediately below.

9.3 Classification and Penalties

The classification of the Super Special Stage shall count for the classification of the Hungarian Baja 2011 as well as any road penalties of the Leg relating thereto. These penalties will be taken into account for the general classification of that Leg and applied the same day.

9.4 Maximum time of the Super Special Stage

In case of exceeding the maximum time previewed or not regular carrying out the Super Special Stage, the competitors will receive a fixed penalty of 30' that will be added in the classification of the Super Special Leg of the day. The competitors will be classified with the Super Special Stage Maximum Time previewed and in case of equal time the order of departure of the Leg 1 will be according to the increasing race numbers.

9.5 Reconnaissance

The reconnaissance of the Super Special Stages are forbidden in all the shapes.

9.6. This stage must be performed with the full team in the vehicle (driver and co-driver).

Any delay in reporting to the start of the Stage will be penalized at the rate of one minute per minute's delay. Vehicles arriving more than 30 minutes late will not be allowed to start.

For the Super Special Stage, times will be taken in hours, minutes, seconds and decimal of a second. In case of dead heat, the crew with the lowest number is declared the winner.

The starting order for the Leg 1 shall be given in the order of the Super Special Stage classification. Penalties imposed during the S.S.S concern only the general classification.

Vehicles that fail to finish the S.S.S. due to breakdown or other circumstances will take the start in the Leg 2 after the last vehicle classified that has completed the Super Special plus a 15 minutes penalty.

Only in duly accredited cases of force major may the Stewards authorize a crew that has not participated in the S.S.S. to take part in the Leg 2 starting in last place, after all the crews who have completed the S.S.S., plus a 15 minutes penalty as well as a 30 minutes penalty for not taking the departure of the S.S.S.
